

Frontiers in Microscopy & Microanalysis

Unlocking the potential of Volume Electron Microscopy

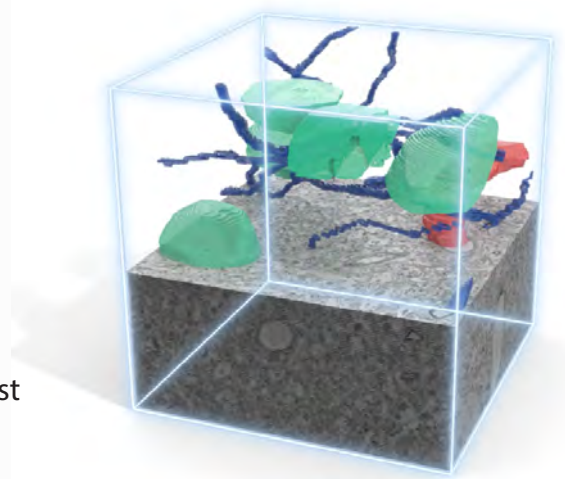

Kashmira Raghu

Electron Microscope Sales Specialist
ZEISS ANZ

Bee Yi Tan

Product & Application Specialist
ZEISS Singapore

Andreas Schertel
ZEISS Germany

Nicole Schieber
EM in Life Science & Soft Matter
Lab Manger, CMM

Join us for an immersive workshop to discover how advanced serial block face imaging techniques are reshaping the landscape of large-volume imaging

Program:

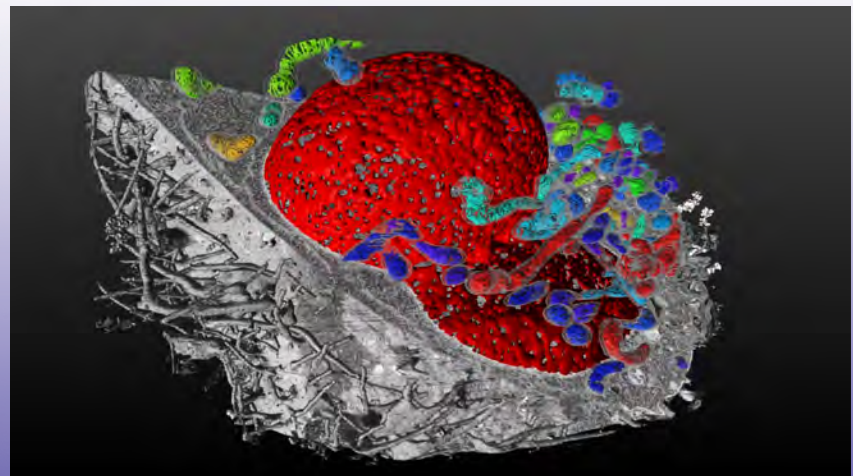

9:00 Introduction

9:10 Applications with the Volutome

10:10 CMM's capabilities in Volume EM

10:25 Panel discussion

Refreshments provided at the end!

The University of Queensland/CMM & ZEISS

AIBN Building 75 Level 1 Seminar Room

Zoom: <https://uqz.zoom.us/j/84502736509>

on Wednesday 22nd November 2023; 9:00-11:00 (AEST)
